CALIFORNIA project WET
WATER EDUCATION TODAY

EXPLORING WATER in Marin County

Transform your teaching with hands-on, standards aligned and locally grounded strategies that spark curiosity and deepen student understanding about California's water.

For just $25 you'll get...

- Project WET activity guide
- **$50 classroom donation through Donors Choose**
- Breakfast & lunch
- The option to purchase CEUs

What others are saying...

"This was an incredibly beneficial workshop! The Project WET curriculum is so helpful for **creating meaningful lessons** for students."
