- Participate in Project Wet Activities in a NGSS Framework
- Receive Resources from Project Wet and others

WATER EDUCATION
FOUNDATION

Every Project WET activity was created by teachers for teachers and each incorporates nationally recognized education principles and practices. Project WET activities incorporate low cost materials and provide step-by-step instructions making the activities very popular with California educators of all levels of teaching experience.

California Project WET is a program of the non-profit Water Education Foundation and is funded by grants from the Bureau of

Reclamation- Mid-Pacific Region, U.S. Geological Survey- California Water Science Center, with additional support from the California Department of Water Resources.

**FREE to ASJUSD staff, \$10. for teachers outside the district
Lunch provided - Register with an email by March 30 to
jcolby@asjUSD.k12.ca.us**

Optional: Teachers can earn .6 CEUs from CSUMB for and additional fee of \$65.
