

# Explorit Science Center Teacher Training Series

## Project W.E.T. (Water Education for Teachers) Training Workshop

**Saturday, November 4, 2017**

Explorit Science Center invites K-8 STEM educators to join us for an engaging day with Project WET activities that can be integrated into your existing curriculum. Experience interdisciplinary activities designed to promote knowledge about our local watersheds and stewardship of water resources while learning about Next Generation Science Standards. Participants will receive the Project WET Guide 2.0 and online resource access to the Project WET Portal.

- Facilitators:** Chris Breazeale; Alfreda Wei, Ph.D.  
**Audience:** K-8 STEM Educators  
**Time:** 8am – 3pm  
**Workshop Fee:** \$55; includes materials, a light breakfast and lunch. Register by October 21, 2017.  
**Location:** Explorit Science Center  
3141 5th Street, Davis, CA 95618  
**To Register:** Online at [explorit.org](http://explorit.org), or call 530-756-0191
