

Update 2013

Framing the Finance Discussion

April 4, 2013

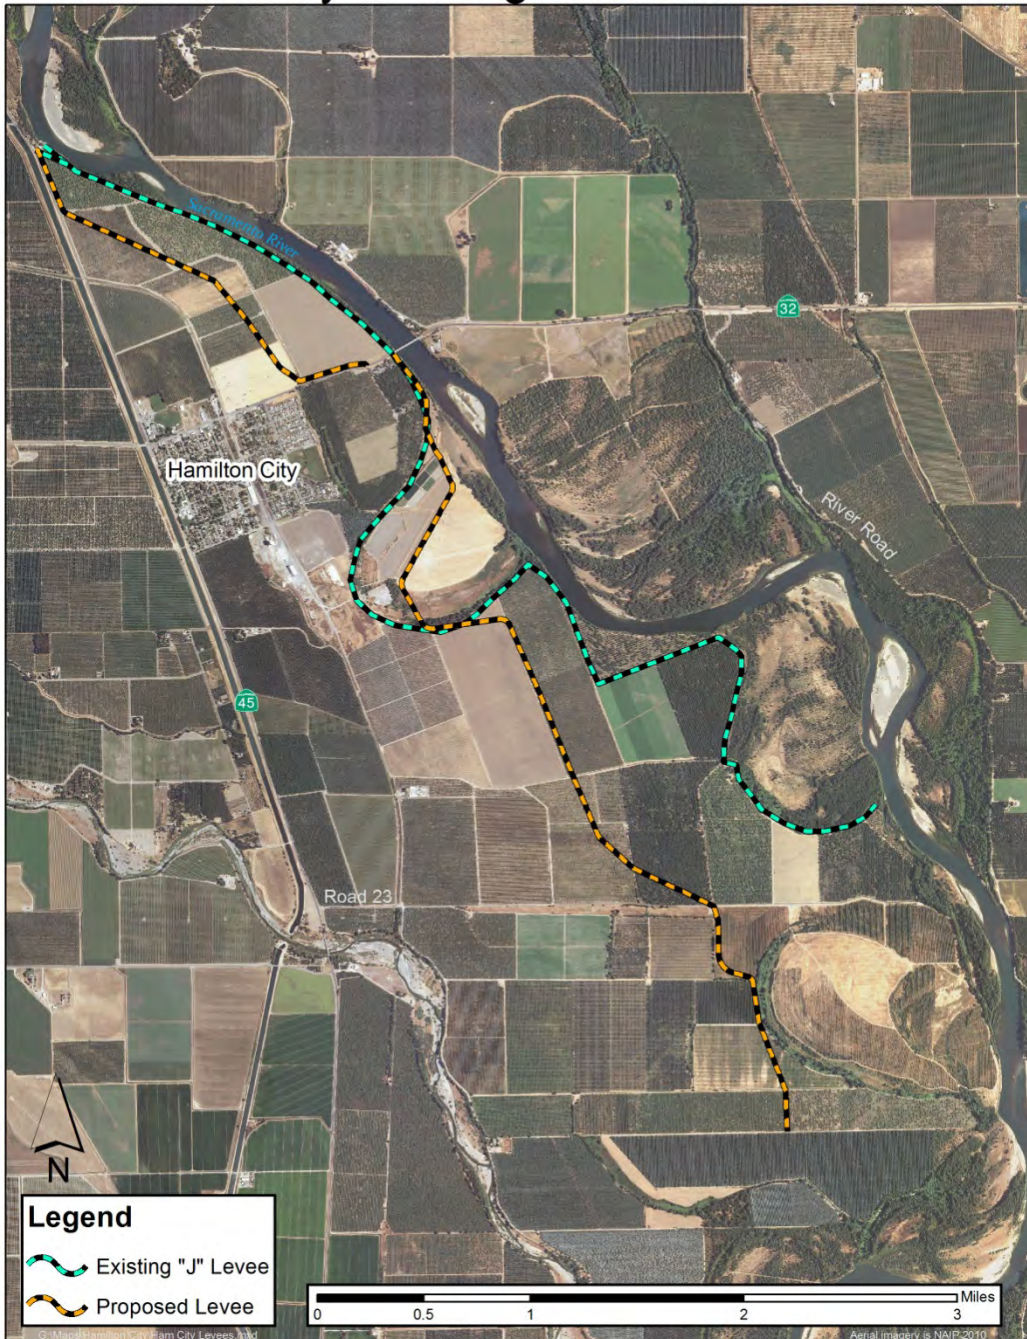

Creating the Framework for Finance Planning

Avoid presupposing any occurrence, scope or magnitude of future State IWM roles, programs, activities or funding.

Components for Creating the Framework for Finance Planning

- 1. Scope and Outcomes***
- 2. IWM Activities***
- 3. Existing Funding***
- 4. Funding Sustainability***
- 5. State Role and Partnerships***
- 6. Future Costs***
- 7. Funding, Who and How***
- 8. Trade-Offs***

Hamilton City Existing and Planned Levees

Hamilton City

Flood Damage Reduction & Ecosystem Restoration

- Construct 6.7 mile set-back levee
- Restore 1,450 of acres of floodplain

Santa Clara River & Tributaries

- Last of the major wetlands in Southern California
