

GETTING LITTLE FEET WET

FREE TRAINING

Getting Little Feet Wet is designed to help educators of young children teach about water in fun, age-appropriate ways. This book contains 11 interactive, hands-on activities for young learners to explore different aspects of water—from water properties to water sounds. **Getting Little Feet Wet** is correlated to both **Pre-K and K-2 educational standards** including Head Start Learning Domains, NAEYC, NAAEE, NGSS and Common Core State Standards.
