project WET
WATER EDUCATION TODAY

It's FREE

Join us for a free, online workshop

- Engaging Project WET activities in both the digital and physical realms.
- Learn a variety of digital learning tools and techniques, like Project WET activity connections to current education standards.
- **Introductory online meeting** January 14th, 3:30-5:00 pm **followed by a short, 'live' online training** January 23th, 9:00 am-12 noon.

All attendees will receive a free copy of Project WET Guide 2.0 with access to over 110 water education activities and detailed NGSS correlations upon completion of the workshop, plus an opportunity to register for CEU credit.

**To register: Justin Fivella at CCWD
(925) 688-8307 or jfivella@ccwater.com**
