

# FREE One Day PROJECT WET Workshop

Solano County  
School  
Water  
Education  
Program

## Exploring Drought in Solano County

Connecting K-12 teachers to local watershed resources

Saturday, February 19, 2022  
9:00am to 2:00pm

### Hands-On Water Science in the Classroom

Teachers of all subjects are invited to join a Project WET online training featuring hands-on water lessons and activities. Complete some of the training at your own pace and participate in a virtual workshop on February 19th.

### What is Project WET?

Project WET works to empower community action to resolve complex water issues worldwide.

**Don't Miss Out!  
Register For  
FREE Today!**

### Who Should Participate?

- Solano County Teachers
- S.T.E.A.M./S.T.E.M. Coordinators
- Learning Academy Teams
- Grade Level of Department Teams
- Curriculum Coaches
- Department Chairs
- School Administrators

CALIFORNIA  
project WET  
WATER EDUCATION TODAY

### Why Attend?

- Learn how to integrate into your curriculum the study of land-based watershed challenges impacting our local waterways and the ocean.
- Connect students with local citizen science and stewardship opportunities.
- Receive water resource education materials that are STEM-friendly and support California Common Core and NGSS.
- Receive the Project WET Guide 2.0 and an opportunity to receive CEU credit upon completion.
