

FREE ONE DAY PROJECT WET WORKSHOP

SOLANO TO THE SEA

connecting K-12 students to their watershed resources

Saturday, February 22, 2020 | 8am to 3:30pm

Dunnell Nature Park & Education Center, Fairfield, CA

What is ?

Water Education for Teachers

- Project WET works to empower community action to resolve complex water issues worldwide.
- Project WET's award winning hands-on curriculum is designed for to complement K-12 classroom and informal education program curricula.

Why Attend?

- Learn how to integrate the study of land-based watershed challenges to ocean and coastal impacts in the classroom.
- Engage students with local citizen science and stewardship opportunities.
- Water resource education materials are STEM friendly and support California Common Core and NGSS.

Workshop includes a free lunch, activity kits, and prizes for teacher referrals!

Who Should Participate?

- Solano County Teachers
- S.T.E.A.M./S.T.E.M. Coordinators
- Learning Academy Teams
- Grade Level or Department Teams
- Curriculum Coaches
- Department Chairs
- School Administrators

How to Participate:

- **Register online at solanorcd.org** under Projects & Programs > Education
