

Wildlife Conservation Education Science Seminar

ONLY
\$50!

April 4th-7th, 2020

Bird Haven Ranch, Butte City

Learn how to bring the great outdoors into your classroom! For Educators K-12.

ABOUT THE SEMINAR

Want to learn how to bring the great outdoors into your classroom? Join us at the fourth annual Wildlife Conservation Education Science Seminar located at beautiful Bird Haven Ranch in Butte City. During the seminar, you will be trained in various wildlife and conservation education curriculum and also receive tons of materials to help you bring your lessons to life. Food, lodging, certifications and more all included for only \$50!

Get Certified in:

National Archery in the Schools Program

Water Education for Teachers

- Connect with like-minded educators
- Receive certifications in 4 different outdoor education programs
- Receive tons of curriculum and materials to take back to your class
- Hike, interact with wildlife, and so much more!

“You created a new outdoorswoman and fanned the flames of my passion for hands-on science and outdoor ed. I have connected with other educators in a lasting way. This will stick with me forever. I would not have been able to seek out all of this learning on my own.”

Register Online at www.calwaterfowl.org/events or email Molly Maupin at mmaupin@calwaterfowl.org or contact her on her cell at (916) 532-9682 with questions.

We hope to see you there!
