

# Forestry Institute for Teachers Summer 2025 Sessions

## Enhancing Educator Environmental Literacy for Over 30 Years

Join fellow educators and natural resource professionals at one of FIT's immersive, **week-long** professional learning sessions.

FIT's team of credentialed instructors and local experts weave environmental education curricula with unique forestry field experiences to help you explore forest stewardship for current and future generations. Expect an enriching week of outdoor learning that will expand both your perspectives and teaching practice!
