

# Toward Sustainable Groundwater in Agriculture

2<sup>nd</sup> International Conference  
Linking Science and Policy

**June 28-30, 2016**

Hyatt Regency at the San Francisco Airport • Burlingame, CA

*Sponsored by the Robert M. Hagan Endowed Chair*

This three-day conference will provide scientists, policymakers, stakeholders, governmental officials, and consultants with the latest scientific, management, legal and policy advances for sustaining groundwater in agricultural regions around the world.

***Additional Groundwater Workshops set for June 27***

## Session topics include:

- Salinity policy ➤ Emerging contaminants ➤ Environmental justice
- Modeling and data ➤ Nitrate policy
- Sustainable Groundwater Management Act (SGMA)

*Confirmed speakers include:*

- **Karen Ross**, Secretary of the California Department of Food and Agriculture
- **Ann Mills**, Deputy Under Secretary for Natural Resources and Environment, USDA
- **Gordon Burns**, Undersecretary of California Environmental Protection Agency
- **Bill Alley**, Science and Technology Director for the National Groundwater Association and former USGS Groundwater Chief
- **Lester Snow**, Executive Director of the Water Foundation

This conference builds upon research and presentations from the 2010 International Groundwater Conference. Visit <http://ag-groundwater.org> to learn more.

Sponsorship opportunities and exhibit space are available. Contact Beth Stern at [bstern@watereducation.org](mailto:bstern@watereducation.org)
