

# Northern California Tour

October 19-21, 2016

FIELD TRIP

Presented by

WATER EDUCATION  
FOUNDATION

***The Sacramento River and its tributaries supply 35 percent of California's water. This three-day, two-night tour travels the length of the Sacramento Valley and provides an opportunity to see Oroville and Shasta dams, agricultural fields and environmental restoration sites. Learn about flood management, groundwater management, salmon restoration and more. It also includes a houseboat cruise on Lake Shasta.***

The tour is cosponsored by the Bureau of Reclamation, Mid-Pacific Region and the California Department of Water Resources. Additional tour sponsors are CH2M, ESA, GEI and HDR.

### ***On this action-packed tour, you will learn about:***

- ▶ Drought and flood management in the Sacramento Valley region
- ▶ State Water Project and Central Valley Project operations
- ▶ Farming in the Sacramento Valley
- ▶ Restoration of endangered Chinook salmon
- ▶ Groundwater, conjunctive use and the Sustainable Groundwater Management Act
- ▶ Area-of-origin and other water rights
- ▶ Agriculture/wildlife conservancies and wildlife refuges
