

**Attention Educators!**

# Hands-on Water Education For Your Classroom

**November 3rd & 5th**

Learn to create  
educational online  
content for your  
students!

**It's FREE**

## Join us for a free, online workshop

- Engaging Project WET activities in both the digital and physical realms.
- Learn a variety of digital learning tools and techniques, like Project WET activity connections to current education standards.
- **Introductory online meeting** November 3rd, 3:30-5:00 pm **followed by a short, 'live' online training** November 5th, 9:00 am-12 noon.

**All attendees will receive a free copy of Project WET Guide 2.0 with access to over 110 water education activities and detailed NGSS correlations upon completion of the workshop, plus an opportunity to register for CEU credit.**

**To register: Justin Fivella at CCWD  
(925) 588-1909 or [jfivella@ccwater.com](mailto:jfivella@ccwater.com)**
