

# IRWM Best Practices

## Napa County California

- Focus on multi-benefit projects
- Collaboration among local stakeholders
- Strong level of buy-in and support from Resources Agencies
- Local funding source

# Napa River/Napa Creek Flood Protection Project

**Floodwall Trail / Promenade**  
Sta. 770+00

# Protecting Property and Natural Resources

## Napa River Rutherford Reach Restoration Project

### Problems Addressed

Lack of High Flow Refugia

Eroding Banks/Channel Incision

Invasive Species

Undermined Oak Trees

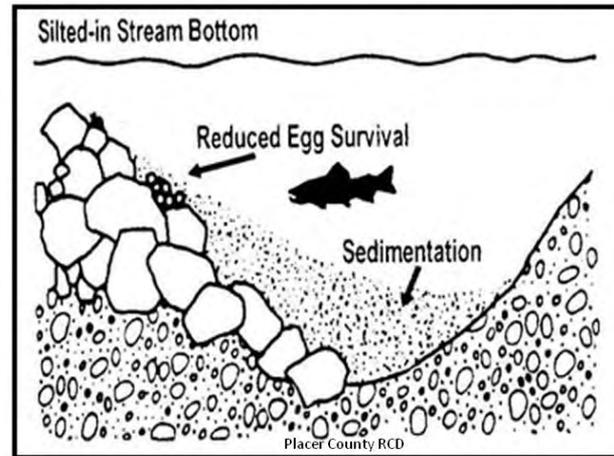

Narrow Riparian Corridor

Lack of Instream Cover

Lack of Spawning Habitat

Degraded Spawning Habitat
