

Orange County Department of Education

Educational Services Division

STEM/Humanities Unit presents:

Understanding Climate Change in California *with Project WET: Water Education Today*

Two virtual workshops:

**Wednesdays,
December 2, 2020 & December 16, 2020
3:30 - 5:00 PM**

Plus, independent assignments to complete between virtual workshops

- *Recommended for educators of 3rd-12th grade students*
- *Cost: FREE*

Participants who complete the training receive:

- ◆ **\$50 stipend**
- ◆ **Project WET Guide 2.0**
- ◆ **Climate, Water and Resilience e-book**
- ◆ **Strategies for distance learning**

Project WET (Water Education Today) activities are designed to engage students of all ages - in formal and non-formal education settings - in the study of water through interactive simulations, use of models and reality based scenarios. Interdisciplinary Project WET activities supplement existing curriculum and are correlated to and reinforce practices integrated within Common Core and Next Generation Science Standards - provide strong foundations for STEAM, Project-Based and Service Learning programs.

Only 25 spots available!
